Yes, we do have the go ahead from HQ. They said that this FOIA didn't require awareness review because the documents were from the prior administration. I'm going to email the FOIA requester to let them know that the FOIA will be closed tomorrow (it was due today).

Denise/Victoria – if you could help get the tag removed, that would be great!

Subject: New notification

Ashley,

Upon sending the case for review and closure, it came to my attention the Larry Gottesman is listed as a reviewer (see screen shot below)

I will have to call HQ first thing in the morning and or have Stephanie follow up with Larry to close out his task.

However, in this situation I would suggest that I contact the FOIA helpdesk to remove him as a reviewer if we already received the go ahead from HQ.

Thoughts?

Chandra
